**Wound Ostomy Nurse**

Compassionate and dedicated Medical Professional with extensive training and clinical exposure in the health care field committed to pursuing a career as a Wound Ostomy Nurse. Detail-oriented and strategic thinker with strong analytical skills and proficiency in clinical operations with profound capability to prioritize, coordinate, and direct multiple tasks simultaneously. Self-starter, personable, with a team-oriented attitude and excellent cross-cultural communication skills, adept at building productive relationships and building rapport with patients, staff, and individuals at any level or background. I recently completed the wound ostomy nursing education program at Cleveland Clinic.

**CAREER SKILLS AND HIGHLIGHTS.**

- Offers unparalleled integrity, initiative, resourcefulness, consistency, and diligence in achieving objectives and both short and long-term goals.
- Excels in organizational planning. Delivers excellence in patient care, administration, and patient relations.
- Natural communicator with strong motivational skills and the ability to support operational goals and meet objectives.
- Proficient in educating patients about medical procedure steps, recovery measures, and medication instructions.
- Capacity to multitask and manage competing priorities while fostering superior service delivery.
- Maintained critical thinking skills essential to providing competent and dignified patient care.
- Advocate for patient rights and strive to understand the needs of patients and families.
