Tobey Hospital, Wareham, MA

April 2023 – Present

Registered Nurse

- Cared for young to older adults in SK2 Medical Surgical/Telemetry 35-bed unit.
- Conducted nursing assessment, diagnosis, planning, intervention, evaluation, and coordination of care for patients.
- Administered medications and inserted Peripheral IVs.
- Admitting and discharging patients to the unit.
- Collaborating with the healthcare team and attending case management rounds.
- Takes on the role of Charge RN for selected shifts, creates shift schedules, collaborates with staffing, manages own assignment, and oversees the unit.
- Using documentation in EPIC to write my nursing assessment and other nursing notes.
- Skin Team in which I am a Skin Champion for my unit. Also, I take part in quarterly skin audits for the hospital. Also take part in skin prevalence rounding for the SK2 Med-Surg unit.
- Participate in monthly Shared Governance Day; take part in well-being, skin team, and Tobey Nursing Council to achieve Pathway to Excellence Designation for Tobey Hospital.
