### APRN-CNP – Total Wound Care | Oklahoma City, OK August 2023 – Present

- Perform comprehensive wound assessments and advanced procedures, including debridement and biopsies.
- Conduct 5–10 daily patient visits across homes, assisted living, nursing facilities, and clinics.
- Lead quality assurance reviews and mentor a team of five APRNs to ensure compliance and best practice care.

### APRN-CNP – Advantmed | California (Remote, Oklahoma City) July 2022 – Present

- Deliver in-home health risk assessments, identifying care gaps and potential health risks.
- Educate and empower patients to improve self-management and reduce hospitalizations.
- Provide detailed documentation and reports to primary care providers for continuity of care.

### APRN-CNP – Healogics | Jacksonville, FL (Oklahoma City) May 2016 – May 2023

- Conducted advanced wound assessments and procedures including debridement and biopsies.
- Managed high-volume caseloads of 20–25 patients daily in clinics and nursing facilities.
- Developed individualized wound care plans in collaboration with multidisciplinary teams.

### APRN-CNP – Physician's Choice Hospice | Oklahoma City, OK May 2016 – August 2018

- Provided compassionate end-of-life care with focus on patient comfort, dignity, and quality of life.
- Completed Medicare-required face-to-face visits to confirm hospice eligibility.
- Collaborated with families and interdisciplinary teams to implement personalized hospice care plans.
