Simulation Center

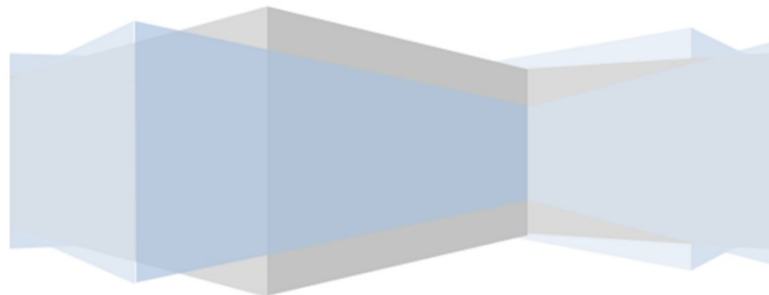

- **Covenant Children's Hospital**
- **5th Floor**
- **North Wing**

Expectations

**Covenant School of
Nursing Student Handbook**
2019 – 2020

Expectations

- **Dress Code (64)**
 - Simulation Center is a **clinical area.**
 - Clinical attire **is expected.**

Expectations

- **Behavioral Congruence (39)**

- **HONOR CODE (41)**

- Students and faculty are expected to report to the Dean (or the designee) the conduct that violates the standards of professional honesty and integrity. It is the intent of this policy to support an atmosphere of integrity within the Covenant School of Nursing.

Expectations

- **HONOR CODE (41)**

- It is the responsibility of each student to support this atmosphere both individually and collectively. We expect nursing students to enter the program knowing what is right and what is wrong. Nursing **students are expected to do what is right** when it comes to matters of **integrity**, **honesty**, and **ethical conduct**. Further we expect nursing students to move beyond thinking only of their own situations to thinking of what is right for their peers, their patients, and ultimately the nursing profession.

Expectations

- **HONOR CODE (41)**
- **A violation of the Honor Code may lead to disciplinary action up to and including dismissal or expulsion.**

Expectations

- **Cell Phone Use (56)**
 - Texting/socializing is inappropriate during class time. If texting/ socializing occurs and is disruptive to faculty or students, privileges of cellular phone usage of any kind will be revoked.
 - **Abuse** of cellular phone usage **will result in disciplinary action** up to and including dismissal/expulsion. This policy includes any device that is internet capable.

Expectations

- **Confidentiality (57)**
 - Refer to your signed confidentiality statement

Expectations

- **Audio/Video**

- Confidentiality will be maintained in the Simulation Center setting.

- Students are not to discuss or provide, by any means, the scenario content with colleagues that have not attended/participated in **ANY** simulation clinical.

- Any audio or video recording or still photographs while in the simulation center must be approved by the instructor and the Simulation Coordinator.

Expectations

- **Performance**

- You should be at the Simulation Center with the goal of acquiring and/or practicing nursing skills

Expectations

- **Student Responsibilities**
 - **Noise levels**
 - Liquids near manikins/computers
 - Soiled linen
 - Supplies
 - Moving manikins
 - Please report any broken equipment as soon as possible.

Expectations

- **Student Responsibilities**

Parking

Guidelines

- Everyone is to be responsible for the tidiness of the lab.
- The CSON Simulation Center will not be responsible for lost or stolen articles.

Guidelines

- **Refrigerator**

- Access to a refrigerator while in the center. Anything left in the refrigerator will be thrown away at that time. This will include any plastic storage devices (Tupperware, etc.).
- The refrigerator will be cleaned out each Friday.

- **Microwave**

- Access to microwave- if you use it...clean it

Guidelines

- **Lockers**

- provided for students. Locks for the lockers must be provided by the student. All lockers should be cleared out by students on a daily basis. **Locks left on lockers for extended periods may be cut off.**

- **NO SHARPIES**

- no ink/permanent markers around the human patient simulators.

Guidelines

- Deliberate Practice

- a **highly structured** activity engaged in with the **specific goal** of improving performance
- is different from work, play and simple repetition of a task
- **requires effort**
- has no monetary reward
- may **not be inherently enjoyable**

Guidelines

- Components:
 - Given a **task** with a **well defined goal**
 - **Motivation** to improve
 - Provided with **FEEDBACK**
 - Provided ample **opportunities for repetition**

Practice Requests

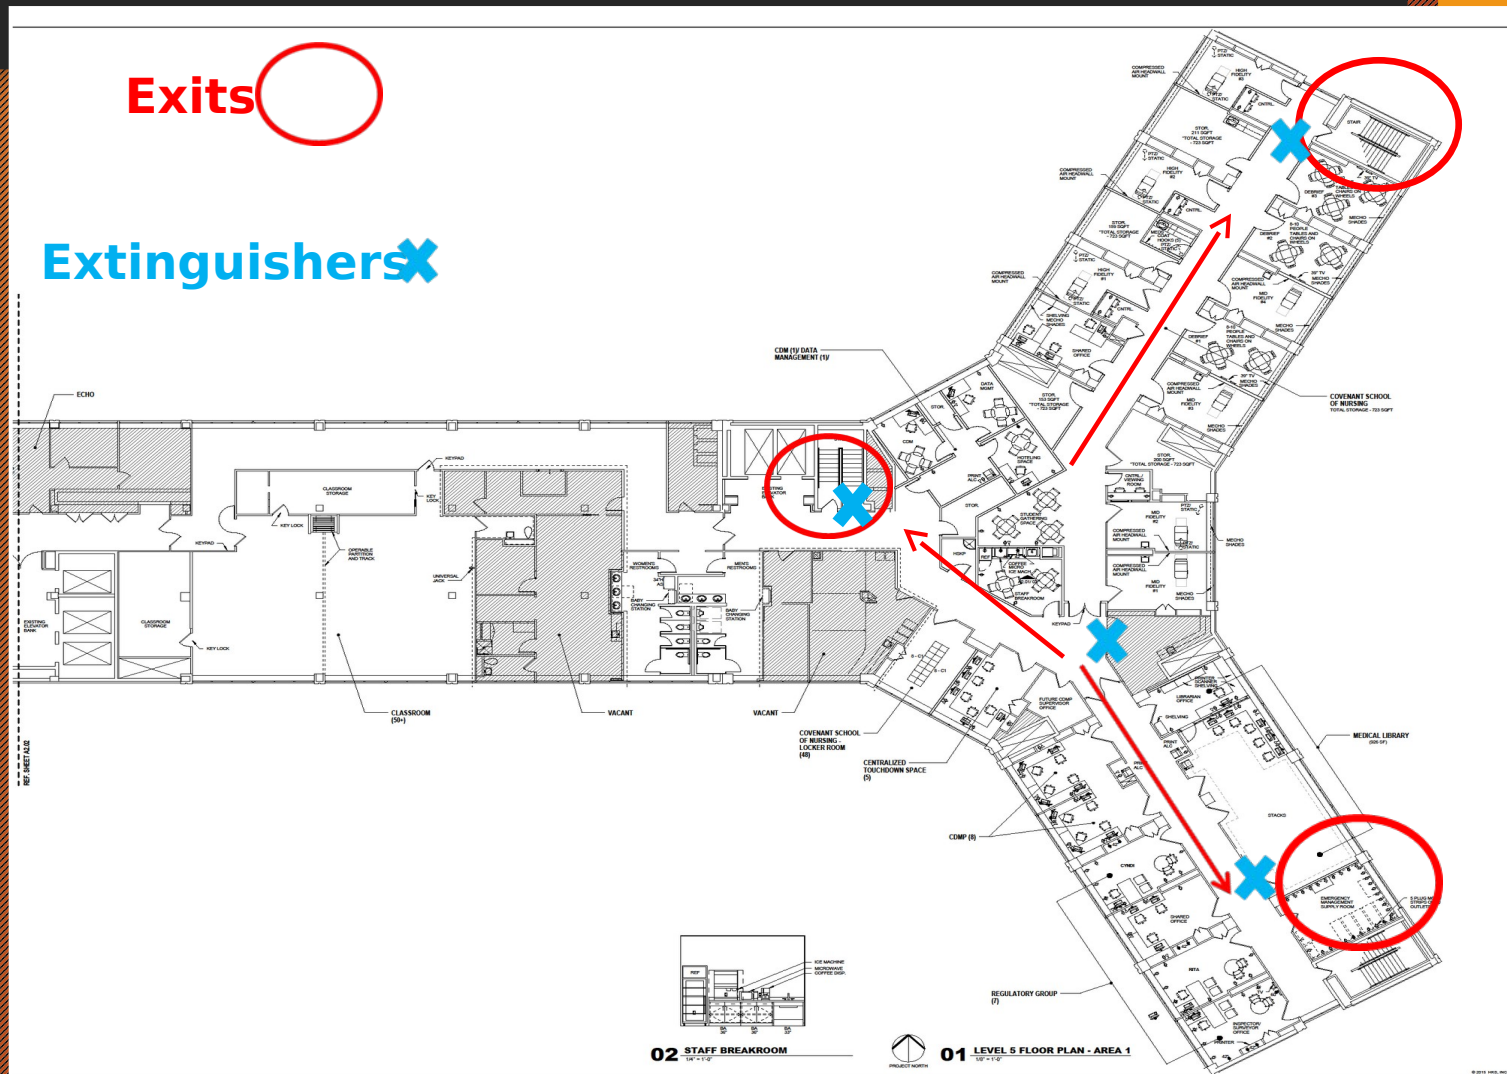

- **Send requests through LMS**
 - Send to Randall Stennett & Patrick McIntire
- **Simulation Center Practice Requests**
 - As far in advance as possible
- **Requests should include**
