

## HESI PROCTORED EXAM SCORES

HESI Score	Points Awarded
850 or above	100%
800-849	75%
750-799	50%
Below 750	0%

Each proctored exam is worth 5% of your grade for a combined total of 10% of your final grade. Please note that each exam will calculate your score based on the number of items in the exam; however, HESI will at times pilot questions so you may have more questions than the number given. They adjust for the additional time needed to answer the pilot questions.
