

**Student Commitment to Conduct during Performance Assessments (PAs) and Competency
Performance Examinations (CPEs), both Mock and Real**

1. I have received an electronic copy of the Universal Competencies and a copy of the required and selected skills.
2. I will respect the dignity and privacy needs of the manikin as I would an actual patient.
3. I will conscientiously implement the critical elements of all professional nursing skills.
4. I will present a professional attitude, demeanor, and attire at all times during simulated care.
5. I will treat mock Performance Assessments and mock Competency Performance Examinations as I would any other required examination and not as a practice session.
6. I understand the Clinical Examiner who oversees all aspects of the examination and assessment process is my advocate. I may ask questions for clarification concerning general examination procedures prior to a graded exam.
7. If my actions jeopardize patient safety, I will be stopped by the Clinical Examiner.
8. If I exceed the allotted time, I will be stopped by the Clinical Examiner.
