

**Objective**

To provide students opportunities to enhance nursing judgment connected theory to practice using EBP learning material threaded throughout the curriculum.

**Instructions**

Students are encouraged to complete the learning activities as outlined prior to the subject material being presented during class time. Exact due dates and times are listed in the Course Calendar.

Grading The activity list below includes graded and non-graded activities.

- Non-graded activities are to be completed and are designed to assist the student in mastery of material.
- Refer to Attendance Policy in Student Handbook re: any missing or uncompleted assignments resulting in an unexcused absence.

| Weekly Topics  | HESI Location   | Specific Activity Assigned  | Specific Instructions  |
|--|---|---|--|
