

Intro to Skills Lab LVN-RN Fall 2020 - Lab 2

This lab will be held at the CSON Sim Lab on the 5th Floor of Covenant Women's and Children's Hospital. You must go in the main entrance and check in with security. The Sim Center is on the north end of the 5th floor. Half of the students will come to lab on Thursday, September 17th. The other half of the students will attend lab on Thursday, September 24th.

To make up for time spent outside of lab, I have assigned four HESI adaptive quizzes to help you prepare for Exam 1. They are LVN-RN GI, Renal, Urinary Practice, LVN-RN Respiratory-Endocrine Practice, LVN-RN Cardiac-Musculoskeletal Practice, and LVN-RN Pharmacology Practice. These are due Thursday, October 1st at 2359.

***You MUST review all skills videos, Nursing Intervention Instructions, and HESI skills assignments prior to attending this lab.** We are expecting you to be as familiar as possible with the skill before attending lab 9/17/2020 and 9/24/2020.
