

COVID-19 Alternative Clinical Activities for IM4

AY 20-21

If you are unable to go the clinical unit due to COVID-19 you are to complete an alternative activity for each day you are not at the hospital. See the chart to know which activity is due for the day missed.

NOTE: If you are assigned to attend **SIM** during your quarantine period, you may participate online via Teams. Contact Mrs. Tombs ASAP for instructions. You will NOT have to do the activities on the days you participate in simulation.

ASSIGNMENT

- Complete the day's assigned Alternative Clinical activity Items as
- **An average score of 80 is required for all article Quizzes.**
- Complete a clinical reflection covering the alternative clinical activity or the impact COVID 19 has had on you. Submit reflection to Dr. Nesbitt by 0830 Thursday.
- Clinical evaluations will reflect you were in quarantine but you will be held accountable for timely submission of activities and professional behavior.

Alternative Clinical Activities are REQUIRED. Failure to complete all assigned activities in a timely manner can negatively impact your clinical evaluation and result in an Incomplete in the course or course Failure.
