Date: 10/13/2020

DAS Assignment # 4 (1-4)

Name of the defendant: Jerri Love Fulbright

License number of the defendant: 739289

Date action was taken against the license:

May 14th, 2013

Type of action taken against the license:

Revoked

Use the space below to describe the events which led to action taken against the license. If multiple charges were in play, be sure and cite them, e.g. drug diversion, HIPAA violation, abandonment, forfeiture on student loans, etc. The nurse failed to completely and accurately assess and intervene appropriately when patient experienced respiratory difficulty and expired. Administered excessive amount of medicine.

Use the space below to provide a description of measures you think could have prevented any action being taken against the license and/or would have prevented harm to the patient, if harm occurred. The nurse should have attended to this patient and practiced better nursing skills. Multiple things happened of med. administer, appropriate teaching, assessment.

Use the space below to describe what action you think a prudent nurse would take as the first to person to discover the event described, in other words, you are the one who discovers the patient has been harmed by the nurse or you have discovered the impairment or criminal activity cited in the disciplinary action. Report this to the charge nurse immediately, harm could have been prevented to this patient.

Inappropriately instructed a family member to administer insulin, that was prescribed to a relative.
