

	Safety and Security	Standard Precautions	Communication
Video by LD - Insulin Administration	doesn't assess allergies	didn't perform hand hygiene before touching some of the med supplies	
	doesn't have another nurse co-sign or verify amount	Doesn't verify against the eMAR	Doesn't say the right name
	violates red rules: leaves rails down	dries her hands on her scrubs after performing hand hygiene	
		doesn't clean off vial before inserting needle	
		doesn't perform hand hygiene before touching the patient	
		doesn't prep the site with alcohol	

# Start Unprofessional Practice Video

Critical Thinking	Documentation	Human Caring/Relationships	Professional Role Performance
Does not know the patient's insulin level and does not reassess	doesn't document what she did		she is not holding herself in a professional manner (comments she makes about the food, etc.)
