Video by CK - CVAD Dressing Gone Awry	Cross contaminates - uses same gloves	Violated universal competency - hand hygiene	Didnt ask if it was okay to lay anything on the bed	Skips the 1 step for removal with one pair of gloves	Didnt document dressing change	Not being gentle with pt when removing dressing	"too bad you're having to be in the hospital" - don't say as a nurse
	Pt states site is itching and nurse said "it will be alright"	Didnt clean on table before sterile kit was put on there.		Doesn't pull dressing off the right way		Forgot to take mask off	Mentions what kind of day she's been having - not good
		Turned back to sterile field					"whoever put this on last, this is ridiculous" don't ever say that
		Didnt turn patients head away from site					"hope I didnt hurt you" - never want to say that
		Uses same gloves to remove dressing and replace new one					Pt states site is itching and nurse said "it will be alright"
		Touches trash can with sterile gloves on					
		Crossing over sterile field
