

**LVN-RN MH Clinical Assignment**  
(Be thorough when answering and give insight)

**“28 Days with Sandra Bullock”**

1. As Gwen arrives late to her sister's wedding, her sister states, "You make it impossible to love you." Which of Gwen's behaviors at the wedding reception would support this statement by her sister? She ate off the tray while just using her mouth, sat the tray on a chair and a guest sat down on the tray, while dancing she kept hitting everyone, and destroyed the wedding cake
2. Describe the admission process when Gwen arrives at the drug treatment center. No cell phones, goes through all of the personal belonging and takes things away that is not needed, takes a picture of the patient, tells the patient the rules such as no phone time unless it is the given time and only for 10 min, no sex between patients, chanting is a thing, and introduce to roommate.
3. What did Gwen say was her gateway drug? Alcohol
4. When Gwen attempted to buy cigarettes at the treatment center store, she was told they did not sell cigarettes there. What was Gwen's response? States "What do you mean you don't have cigarettes?" " You have to have cigarettes!" "Lady you have addicts out there, they need cigarettes" She is angry and very anxious at this time. She buys a whole bag of gum and candy.
5. What happens when Jasper comes for his first visit with Gwen at the treatment center? Gives her vicodin and takes her in his car off campus and gets her drunk
6. How did Gwen injure her leg? While sneaking out her window of her room by climbing down a tree branch she slipped and fell to the ground
7. What was the therapeutic tool Gwen's counselor gave her? A sign around her neck that reads "Confront me if... I don't ask for help"
8. At the family meeting when Gwen's sister attended, what was she most upset with Gwen about that happened at the wedding? The toast she gave at her wedding about her saying her sister said she was just "settling" for her husband
9. What advice did Gwen's counselor give the group about dating after treatment? When you get home get a plant, then get a pet. In 2 years if the plant and pet are still alive think about getting in a relationship.

10. As Gwen's roommate at the treatment center is getting ready to leave, what did the patients do for her as a farewell gift/gesture? Gwen wrote their own version of her favorite soap opera Santa Cruz but called it Santa Booz. Everyone helped act out different parts. They gave her therapeutic tools written on signs to hang around her neck.
11. What happened to Andrea as she was nearing the end of her treatment? She was found by Gwen in their bathroom floor dead with drugs and a needle.
12. As Gwen was leaving the treatment center after being discharged, what was the advice given to her by the nurse? 90 meeting in 90 days and ask for help its always there.
13. After Gwen was released, what happened to her and Jasper's relationship? He was making fun of her while she was working on herself while with the horse. She kissed him and said goodbye Jasper and walked away.
