Below are a few common interview questions:

1. Tell us about yourself.
2. Why do you want to work at our hospital?
3. Where do you see yourself in five years?
4. What is your greatest strength? Your greatest weakness?
5. How do you remain effective when faced with difficult tasks or with things that you do not like to do?
6. What would you do if you had to make a decision without a procedure or precedent to guide you?
7. Describe a situation in which the team fell apart. What was your role in the outcome?
