

1. Please reflect on your performance during the capstone preceptorship and rate yourself on the following:

Table with 4 columns: Statement, I need significant guidance., I need average guidance., I need minimal guidance. Rows include: I use the Nursing Process to provide comprehensive, evidence-based nursing practice. (Graduate Competency (GC) 1), I coordinate and develop a plan of care using time management and prioritization. (GC 1 & 3), I make safe clinical decisions. (GC 3), I advocate for patient/family rights and quality nursing practice. (GC 4), I use professional, assertive, and collaborative communication. (GC 2, 5, & 6), I document according to agency/unit standards. (GC 2), I develop teaching/learning strategies to meet patient/family needs. (GC 3 & 7), I assume a leadership role in clinical practice. (GC 6), I am self-directed and demonstrate an interest in learning. (GC 8)

2. What do you think are your personal strengths?

I believe my strengths are verifying that I am giving meds correctly and ensuring the seven rights of administration, advocating for my patients, assessing for complications, and providing safe and quality care.

3. What have you identified as a personal opportunity for improvement?

I need to improve on my skills, prioritization, communication, and management.
