

IM 2 November 2020 Start Unprofessional Practice Video

	Safety and Security	Standard Precautions	Communication	Critical Thinking	Documentation	Human Caring/Relationships	Professional Role Performance
Video by LD - Insulin Administration	did not check order at first	did not clean the tray	inappropriate comments	drawing up insulin in the med room	did not verify patient	inappropriate comments	not wearing gloves to draw up medications
	second check was not checked accurately	touched eye	inappropriate teaching	not checking what the sugars were incorrectly	verification from the second nurse was not right	no caring emotions for how the patient felt	yelling in the hall wall
	did not verify patient	not wearing gloves to open needle			the second nurse did not see how much insulin was given and still signed off		not being professional while in the patient room
	did not introduce herself	not cleaning site					
	did not verify allergies	not wearing gloves for any part of giving the injection					
	left room with syringe and needle open	spinning with the needle and syringe					
	did not verify where medication was given last	nurse did not check what she gave and signed off					
	too late to get 2nd verification from another nurse						
	no red rules						
	only did possession not any of the other 4 P's
