Start Unprofessional Practice Video

Critical Thinking	Documentation	Human Caring/Relationships	Professional Role Performance
Did not perform a pain assessment prior to injection.	Did not have another nurse witness the "waste" of drug or dispose properly of vial.		
No patient education on medication.			Should not be on phone or have music on in patient's room.
			Med should be prepared in med room.
			Should have prepared saline flush syringes in med room, squirting it on patient is bad practice.
