

ONLINE AA Meeting Instructions

Since AA meetings do not meet the Social Distancing rules this is an online option to join and attend a meeting. You must register at the website below. You will then be sent an email that allows you to set up a password. You can then read through some of the meeting posts and view the documents associated with the organization of Alcohol Anonymous such as the 12 Steps and the 12 Traditions. You will then complete a Reflective Journal for your online experience.
