

Instructional Module 1

KEY = Medical Terminology Practice for Quiz #2a

Using the reference materials in the packet, identify each abbreviation. Circle the **dangerous abbreviations** and write the correct terminology phrase.

1. ABG Arterial Blood Gas _____
2. a.c. before meals _____
3. Δ change _____
4. ASAP As Soon As Possible _____
5. BM Bowel Movement _____
6. BMP Basic Metabolic Panel _____
7. bpm beats per minute _____
8. BUN Blood Urea Nitrogen _____
9. BKA Below Knee Amputation _____
10. Ca Calcium _____
11. CA Cancer _____
12. C/O Complains Of _____
13. C.C. Chief Complaint _____
14. **cc** ***Use mL instead _____
15. CBC Complete Blood Count _____
16. CMP Comprehensive Metabolic Panel _____
17. CVA Cerebrovascular Accident _____
18. d/c discontinue, discharge _____
19. DNR Do Not Resuscitate _____
20. DTV Due To Void _____
21. DVT Deep Vein Thrombosis _____
22. EKG Electrocardiogram _____
23. EtOH Ethanol, Alcohol _____
24. F/U Follow Up _____
25. FFP Fresh Frozen Plasma _____
26. gtt drops _____
27. H/H Hemoglobin and Hematocrit _____
28. H&P History and Physical _____
29. **HS** *** use Bedtime instead _____
30. Hx History _____
31. I&D Incision and Drainage _____
32. I&O Input/Intake and Output _____
33. IM Intramuscular _____
34. L Liter _____
35. **L** Left _____
36. LUE Left Upper Extremity _____
37. MAR Medication Administration Record _____
38. **ug** ***use mcg - microgram _____
39. mg milligram _____
40. mL milliliter _____

Match the following abbreviations with the correct definition/interpretation.

- | | |
|--|--|
| <ol style="list-style-type: none"> 1. J__NPO 2. Q__R.A. 3. S__R/A 4. L__Pt 5. P__P.T. 6. K__per 7. O__O.D. 8. N__O.S. 9. B__O.U. 10. A__PRN 11. F__NaCl 12. R__VS 13. E__ 14. C__TID 15. G__Rx 16. M__Fe 17. D__a 18. I__c 19. T__fx 20. H__UA | <ol style="list-style-type: none"> A. as needed B. both eyes C. three times a day D. before E. F. sodium chloride G. prescription H. urinalysis I. with J. nothing by mouth K by or through L. patient M. iron N. left eye O. right eye P. physical therapy Q. rheumatoid arthritis R. vital signs S. room air T. fracture |
