

Covenant School of Nursing
Instructional Module 2 Learning Guide
Topic: Texas Board of Nursing Disciplinary Action Summaries

Learning Goals/Outcomes		
Upon completion of this lesson, you will be able to: • Locate and summarize disciplinary actions executed by the Texas Board of Nursing on licensed Registered Nurses • Formulate ideas about types of actions or inactions that can result in disciplinary action by the Texas Board of Nursing • Recognize real-life consequences of the errors of commission or omission for patients and/or significant others • Write a reflective narrative about what actions you think a prudent nurse should take upon discovery of the event and what you think might have prevented the event from happening in the first place		
Pre-Class Preparation		
• Required: None • Additional Resources: None		
Learning Activities		
Classroom Activities: • Intro at beginning of course and summary at end of course – class participation in summary Laboratory/Clinical Activities: • Discuss findings with peers in the lab setting Out of Class Activities: • The “DAS assignment” reflects the month and year that each student is assigned to search for their RN disciplinary actions. • Locate a Disciplinary Action for a registered nurse at https://www.bon.texas.gov/ from the month that is as assigned in the lessons in LMS. • Formulate a descriptive narrative of four Disciplinary Actions based on the assignment in the LMS and submit in the assigned drop box in the LMS <u>by the due date/time.</u>		
Evaluation Methods		
• Grading rubric - Met or Unmet (100 or 0) by the due date – drop box will close at the due date/time. No late submissions accepted.
