1. What did you like best about your preceptor?

Jamie is extremely smart (though she doesn't give herself enough credit) she has taught me alot - has been great about letting me take the reigns. She's funny + made the night shift fun! :)

2. Do you have any suggestions for your preceptor to consider when working with future students?

I Wasnt told night one that the showers aren't for use because they flood. I allowed a patient to shower + the whole room flooded. I told her she would benefit from telling students in advance :)
