1. What did you like best about your preceptor?

Garrett was not only extremely professional and a great nurse, but he also made me feel so comfortable. I felt confident that I could ask questions without judgement which created a great learning environment.

2. Do you have any suggestions for your preceptor to consider when working with future students?

Everything I experienced was awesome. It was very beneficial how he always encouraged me to go wherever on the unit had the greatest learning opportunity. No suggestions here.
