

## IM4 COVID-19 Alternative Clinical Activities

If you are unable to go to clinical unit due to COVID-19 you are to complete an alternative activity for each day you are not at your clinical site. See the chart to know which activity is due for the day missed.

**Alternative Clinical Activities are REQUIRED.** Failure you complete all assigned activities in a timely manner can negatively impact your clinical evaluation and result in an Incomplete in the module or module Failure.

### ASSIGNMENT

- Complete the day's assigned Alternative Clinical items
- **A score of 80 is required for all article quizzes**
- Complete a clinical reflection covering the alternative clinical activity or the impact COVID-19 has had on you. **Submit reflection and all activity assignments for the week to your Advisor's Dropbox by 0830 Thursday.**
- Clinical evaluations will reflect you were in quarantine, but you will be held accountable for timely submission of activities and professional behavior.
