

## IM 2 Simulated Patient Clinical Video Grading Rubric

Student Name:  Megan Loiseau  Video:  1  Date:  12/11/21

There are three (3) ways to receive credit for the video:

1. Perform the scenario with all critical elements in each area of the grading tool
2. Verbalize a breach or mistake in real time and provide the nursing intervention to correct the breach or mistake then proceed with the video
3. When reviewing the video, honestly evaluate the nurse. Recognize all (if any) breaches or mistakes, record them as "unmet" and provide a nursing intervention to correct the breach or mistake

Comments:

UNMETS:

-Fall bundle – I should have checked for her non slid socks. Im correcting it here.

- Allergies and medication admin – I should have done these checks before I administered the medications. I went back a fixed myself in the video.

- medication teaching – I should have done this before I gave the med
