

## Quarantine Instructions Rev 1/3/2021

If you are receiving these instructions, you have been placed on CSON Quarantine for IM 7. During the time you are in quarantine, you will still be able to receive credit for IM 7 by completing the assignments and/or examinations that apply to you as follows:

1. Lectures
  - a. All lecture materials are listed in the LMS.
  - b. You are responsible for reviewing and following the learning guides and material.
2. Examinations and/or HESI exams
  - a. Includes:
    - i. Theory examinations
    - ii. Dosage calculation examination
    - iii. HESI Pharmacology
    - iv. HESI Medical-Surgical
  - b. If an examination is held during your time in quarantine, you will need to reschedule the exam for a date within 3 days of your return, if possible.
  - c. Please work with the faculty on dates and times when clinicals or lectures are involved.
  - d. Send an email to Ms. Elisa Tienda, Dr. Kidder, and Dr. Smith with the dates and times you are requesting to take your examination.
    - i. Ms. Tienda and Dr. Kidder normally do not schedule exams after 3 pm.
3. Pharmacology Quizzes
  - a. You will take your pharmacology quiz(zes) at the times they are assigned on the calendar.
4. Clinical
  - a. Includes:
    - i. Tuesday & Wednesday noted as Clinical Days
    - ii. Clinical in the Classroom (week 7)
    - iii. Simulation wrap up (week 7)
  - b. You will need to complete the assignments in the Quarantine Clinical Assignments folder in LMS for the days you will be in quarantine.
  - c. Follow the instructions on the COVID-19 Alternative Clinical Activities instruction sheet.
  - d. Assignments are due on the clinical days you would normally be in clinical.
    - i. Example – if you are in Quarantine on Tuesday, you will complete the 1<sup>st</sup> clinical day assignment.
  - e. All assignments are DUE BY 1430 the day of the clinical.
  - f. Send an email to Ms. Ponder when you have completed the assignment(s).
  - g. If you are in quarantine for several days, be sure to complete the next assignment on the list.
  - h. If you have done all of the assignments and still need additional quarantine items, please let Dr. Smith know so that we can make an appropriate assignment.
5. Post Clinical Quizzes
  - a. You will need to complete the Post Clinical Adaptive Quizzes for each clinical day you are on quarantine.

- b. Post Clinical quizzes are due by midnight each clinical day.
- 6. V-Sim (Week 5)
  - a. You will complete the V-Sim assignment per the instructions in the V-Sim folder.
  - b. These are due at the time they are scheduled on the IM calendar.
- 7. Simulation at the SIM Center (Week 2)
  - a. You will need to complete the lab quiz and turn it into your faculty advisor by 1430.
  - b. You are responsible for understanding the material presented regarding ACLS and Code Meds.
- 8. HESI and other outside required assignments
  - a. You are responsible for maintaining and completing your assigned HESI materials during your quarantine time.
  - b. See the calendar and the HESI schedule for assignments.
