[Dosage Calculations for Nursing Students on IV Drip Rate Factors Made Easy \(Video 4\)](#)

Dosage calculations made incredibly easy for nursing students. This video shows how to set-up and work IV drip rate calculations with gtt/min factors. I use dimensional analysis to solve these drip factor problems. In nursing school, you will be required to learn dosage and calculations and these are problems you will have to solve. Quiz: [http ...](http://www.registerednurse.com/quiz-iv-infusion-rates-practice)

[Dosage Calculations for Nursing Students Made Easy on IV Infusion Rate Calculations \(Video 5\)](#)

Dosage and calculations for nursing students on IV infusion dosage calculations. This video demonstrates step-by-step how to solve IV infusion rate calculations ml/hr. I set-up the dosage and calculation problems using dimensional analysis. Free Quiz on IV Infusion rates:

[IV Infusion Time Calculations Nursing | Dosage Calculations Practice for Nursing Student \(Vid 9\)](#)

IV infusion time calculations for nurses and nursing students. These dosage calculation videos were created to make solving IV infusion time incredibly easy. In this video, I teach you how to apply dimensional analysis in solving the amount of time it will take for an IV bag to complete which includes the hours and minutes or the date. In ...

[Dosage Calculations Nursing Practice Problems & Comprehensive NCLEX Review](#)

Dosage calculations made easy for nursing students and nurses using dimensional analysis: comprehensive NCLEX review of drug calculations (nursing math). In this video, Nurse Sarah created a comprehensive review covering the most important dosage calculations that you'll need to know, and she breaks them down step-by-step and solves the ...

Weight-Based Dosage Calculations | Drug Medication Calculations by Weight Nursing Students (Video 6)

Dosage calculations by weight made easy for nursing students, nurses, and paramedics. Weight based dosage calculations problems require you take calculate a drug dosage based on how much a patient weighs. This video demonstrates solving drugs calculations with dimensional analysis. Calculating medication dosages are a requirement for nursing ...
