Call Community site the day before you are scheduled to verify the physician/staff will be there. If you discover that the site will not be available, call Mrs. Gurley. You may not know ahead of time. CSON attendance policy applies. Call the community site and Mrs. Gurley if you will be absent for your community experience. Students are to wear student uniform (scrubs). Take your stethoscopes, masks and shields to the clinics or units. Many of the offices take manual blood pressures so be sure you are comfortable with that. The community sites have requested that you do not wear cologne or body spray and do not smell of cigarette smoke. You will be sent home with an absence if this occurs. **Be sure and have the attendance verification paper signed before leaving the clinical site.**
