DAS Assignment #1

Elizabeth Marie Almon

License # 709562

Date action: March 31, 2015

Elizabeth failed to failed to verify code status of aforementioned of patients. She lacked fitness to practice nursing in accordance with the Texas Board of Nursing. She failed to comply with the safety of caring for a patient under her care.

Elizabeth failed to follow the safety and security universal competencies by ignoring facility policy for her own habits. She also failed to follow the hospitals policy of narcotics by obtaining patients medication while under her care for her personal addiction.

A prudent nurse would have reported the event and finding to a nurse manager.
