

My name is Cindy Granado. I am 42 years old and I have 4 kids and 3 grandchildren. I have been married for 12 years and live in New Home, Texas. Ever since I was a teenager I have always wanted to be a nurse although I had many struggles in life and many obstacles I finally became an LVN in 2006. I first started out getting my CNA certificate in 2008 and did that for about 7 years and realized that nursing was the career I wanted to pursue. I really enjoyed helping people. Now after 7 more years as an LVN, becoming an RN will be rewarding.
