

Hello my name is Whitney and I've been a LVN since 2009. Both of my grandmothers are nurses and I have always looked up to them. So I knew at a very young age that is also what I wanted to do. Nursing is more than just a job to me, I believe it's my calling and with Gods timing it is now my turn to further my education and become a RN. Fun fact about me is I love to shop, travel and spend time with family and friends.
