

Marquyne "Winwin" Ola

I would like to do my clinical hours with my preceptor on Friday, January 13, 2023 from 6:45PM to 7:15AM and on Saturday, January 14, 2023 from 6:45PM to 7:15AM. That is all she gave me for this week about her schedule since she said that she would know the rest of her schedule once she gets back to work on Wednesday, January 11.

Thank you.
