

### **Why I wanted to become a nurse**

I wanted to become a nurse since the age of five because my school nurse at the time was compassionate and nurturing so from that day on I knew I wanted to be a nurse. Growing up I never changed that answer when I was asked, "What do you want to be when you grow up." I love healing, encouraging, and uplifting others. Nursing is more than just a career to me, it's what God chose me to do, help heal others.
