Disciplinary matter, she violates the nursing practice act required by 22 Tex. Admin. Code ch. 213

Use the space below to provide a description of measures you think could have prevented any action being taken against the license and/or would have prevented harm to the patient, if harm occurred.

She should have complied with the requirements of the nurse practice act

Identify which universal competencies were violated and explain how.

professional role because she is accused of disciplinary matter and that is not a professionalism.

Use the space below to describe what action you think a prudent nurse would take as the first to person to discover the event described, in other words, you are the one who discovers the patient has been harmed by the nurse or you have discovered the impairment or criminal activity cited in the disciplinary action.

I would report the violation to management and I would use the change of command if need be.
