Disciplinary Action Summary Assignment

Instructional Module 2

Student Name: Phanella Date: 02/02/2023

DAS Assignment # 3 (1-4)

Name of the defendant: MICHAEL RAY PASEY License number of the defendant: 827889

Date action was taken against the license: 3/20/2014

Type of action taken against the license: Voluntary Surrender

Use the space below to describe the events which led to the action(s) taken against the license. If multiple charges were in play, be sure and cite them, e.g. drug diversion, HIPAA violation, abandonment, forfeiture on student loans, etc. Inappropriate medication administration and without physician order; patient abuse by placing foot on patient, assist patient back to stretcher by grabbing his hair and skin.

Use the space below to provide a description of measures you think could have prevented any action being taken against the license and/or would have prevented harm to the patient, if harm occurred.

He could have waited physician order and treat patient with respect

Identify which universal competencies were violated and explain how. Professional role: Wrong interaction with patient
Safety and Security he could have harm patient (physical), critical thinking: Wrong route of medication
Human Caring because he abuse the patient and treat him disrespectfully.

Use the space below to describe what action you think a prudent nurse would take as the first to person to discover the event described, in other words, you are the one who discovers the patient has been harmed by the nurse or you have discovered the impairment or criminal activity cited in the disciplinary action.

I would report him and the error because nurses care for their patients, treat them with respect and dignity.
