# How to register for an NG Exam

Step 1: Click on the HESI NG course on the My Content page:

note: the first time you access this course, you will need to review the terms and conditions and accept them.

Step 2: Use the cohort drop down box to select your cohort:

How to register for an NG Exam

The home screen will list any exams, available for registration.

Step 3: Click Register

After you register, it will take you to your home screen

How to register for an NG Exam
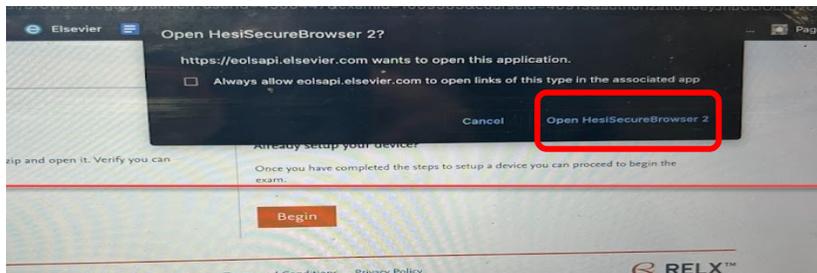

The Day of The Exam:

Click View Details under You have an exam **today**
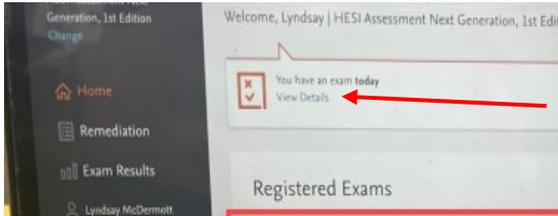

Click Launch Exam

It will launch a secure browser. Click Open.

Wait for the proctor to open the exam & provide your code.
