Overall, how did your group perform together? (Please circle/rate below):

1 Poor 3 Average/**Good 4** 5 Above Average/Very Good

Additional Comments: Our group was able to work together but struggled with communication. Saul took a lot of the project onto himself and made it harder to work together. He did not let us know that he was going to do most of the research. So, it felt like when Betty and I were trying to get the four of us to work as a team we were playing catch up.
