Group Member: **Kaitlynn Ortiz**

What did this member contribute to the presentation?

Unfortunately, Kaitlynn was not very helpful throughout any of the project. She would not communicate on deadlines, would not try to meet up with any of us group members, and emailed her portion of the project for Savannah to put together on the poster board. We each tried on multiple occasions to reach out and work with her schedule, but she was still unwilling to contribute or respond back. Her portion of the project was support groups and patient teaching.
