

## Advisory Group Information Sheet

Name Miranda Martinez

Name I prefer to go by Miranda

Tell me about your family/support system: My family & boyfriend  
are very supportive of me, especially my boyfriend. He always  
helps me study & pretends to be my patient.

Hospital Experience  N Job: I worked on a covid  
unit for almost a FT / PT / OC <sup>Not</sup> Working  
year.

What do you do for self-care? I love to paint, sleep, eat, & spend time  
with my boyfriend & dog :).

What are your study habits? I try to go over the material the day of  
& make concept maps!

What are your goals for this module? I am very excited to learn  
about maternity & be more informed about L&D, and  
Mental Health.

What do I need to know to help you be successful in this module? I

personally love pictures & graphs as a way of learning.  
Anything visual will aid to my learning! And practice  
questions.

What past experiences may trigger you, related to our content, that you  
would like me to be aware of? N/A.
