

Advisory Group Information Sheet

Name: Erasmo Hernandez

Name I prefer to go by Eddie.

Tell me about your family/support system: My family is my biggest support group.

Hospital Experience Yes Job: Yes. UMC NICU on call

What do you do for self-care? ___Workout and run

What are your study habits? Re-write notes usually late at night

What are your goals for this module? Learn content to prepare for NCLEX

What do I need to know to help you be successful in this module? I feel like many people were not successful because there was so much material and we did not get much direction on which material to focus on.

What past experiences may trigger you, related to our content, that you would like me to be aware of? None that I know of.
