Disciplinary Action Summary Assignment

Instructional Module 2

Student Name: Mariela Chavez Date: 8/25/23

DAS Assignment # 1 (1-4)

Name of the defendant: Sarah Nell Albrecht License number of the defendant: RN # 948882

Date action was taken against the license: October 23, 2020

Type of action taken against the license: Warning with stipulations and fine

Use the space below to describe the events which led to the action(s) taken against the license. If multiple charges were in play, be sure and cite them, e.g. drug diversion, HIPAA violation, abandonment, forfeiture on student loans, etc.

1. Nurse did NOT give patient all of their medications.
2. Nurse over administered 500mL of normal saline.

3. Nurse misled a patient telling them they were getting a medication but hadn't actually give it.

Use the space below to provide a description of measures you think could have prevented any action being taken against the license and/or would have prevented harm to the patient, if harm occurred.

1. Nurse should have given all the meds so she wouldn't have forgotten to come back + finish what she was doing.
2. Nurse should have followed + read doctors orders correctly.
3. Nurse should have let the pt know dr hadn't approved meds before misleading them.

Identify which universal competencies were violated and explain how.

Safety + Security (Physical + emotional) Professional Role
Communication Documentation
Human Caring Critical Thinking

Use the space below to describe what action you think a prudent nurse would take as the first to person to discover the event described, in other words, you are the one who discovers the patient has been harmed by the nurse or you have discovered the impairment or criminal activity cited in the disciplinary action.

1. Talk to the nurse to confirm their actions.
2. Remind about company protocols
3. If it were my responsibility to report the incident then I would do as such.

1. Standards of Nursing Practice
2. Unprofessional Conduct
