**Skit Presentation**

Group Member: Samantha Kendall

What did this member contribute to the presentation?

Sam helped us all acquire the old reference powerpoint that we used for our presentation, way back from IM 1. She also helped me with creative direction on what act we were going to put on.

Additional Comments:

Samantha is for sure the MVP of the team. Her and I coordinated together about what our group might do a few weeks back. We talked briefly about ideas with the group, but it wasn't until last minute that we got input from the rest of our team. I made a groupme this weekend to get everyone together to talk about finalizing what we would present, but I didn't hear back from Brianna or Macie until later on Sunday (the night before) evening. All in all it definitely felt like a "we-are-going-to-wing-it-since-it's-not-for-a-grade" attitude.
