**Evidence-Based Practice Poster Presentation**

Group Member: Savannah Barkley

What did this member contribute to the presentation?

Savannah did a great job on getting our group together to get the project started. She contributed by listing out many of the topics we chose to present on, and we divvied it up from there. She also contributed to the poster board itself and supplies.

Please circle/rate the member on a scale 1 to 5 below:

1 Minimum    3 Average/Good    5 Above Average/Very Good

Group Member: Teresita Munoz

What did this member contribute to the presentation?

Teresita also did a great job on gathering supplies for our presentation, including the googly eyes and construction paper we utilized.

Additional Comments:

Overall, I think I had awesome teammates in this project. They were both rock stars on the execution of the topics and the building of the poster that we will be presenting. They both were tenacious to get together and work as a team alongside myself to research and deliver accurate and up to date information over Macular Degeneration.
