Evidence-Based Practice Poster Presentation

Group Member: Eric Andrade

What did this member contribute to the presentation?

Eric contributed to the presentation by buying the poster board and providing his house to use to put it together and do some research. He also found pretty cool information out about the artificial kidneys and how they work. Eric also helped find extra information when we had a group member drop and we didn't receive her research.

Group Member: Priscilla Urioste

What did this member contribute to the presentation?

Priscilla contributed to the presentation by having her information done and ready to go ahead of time. She also helped us with extra research when a group member dropped and we didn't receive her part for the presentation.

Group Member: Brianna Mojica

What did this member contribute to the presentation?

Brianna didn't contribute to the presentation and didn't communicate with the group shortly after we got our assignment. She was assigned to research the artificial wearable kidney and let us know that she dropped from the class and didn't have any research information to pass on to us a week before the project was due.
