**Evidence-Based Practice Poster Presentation**

Group Member: Olivia Palermo

What did this member contribute to the presentation?

Olivia provided our presentation with new AKI therapy techniques. She created our group chat as a means of communicating with one another over the progress of our research. She planned and attended every meeting for the project. She went out during the thanksgiving break to gather the poster supplies. We all helped construct the poster by cutting everything out and planning the layout, but Olivia was the one who took it home to glue everything down once we agreed to the final layout.
