

Fun fact about me?

Hello, my name is Kiriean Rey Jary, and yes, I've got the three-first-name extravaganza going on! It's so long that it doesn't even fit into my driver's license. That's why, most of the time, I just go by Kiriean. Now, that Rey Jary part you spot in my name? Well, my siblings, cousins, and even my kids share that too – it's kind of like a family affair! :D It's a tradition crafted by my grandparents so we can trace our roots once we all live different lives and go our separate ways.
