

## Instructional Module 1 Assignments and Required Work

### HESI Assignments

**Objective:** To provide students opportunities to enhance nursing judgment connecting theory to practice using Evidence Based Practice learning materials.

**Grading Criteria:** HESI counts as 5% of your course grade.

**Instructions:** Students are encouraged to complete the learning activities as outlined in the table below and in accordance with the course calendar to help facilitate learning.

**DUE DATE:** HESI assignments are due **Week 6, Friday by NOON. Failure to complete the assigned HESI activities by this date/time will result in a Zero in the Gradebook.**

\*\*\*Failure to complete the HESI assignments by **Week 8, Wednesday at 0800** will result in the student receiving an **INCOMPLETE** in the course and the student will be unable to progress to the next module. Refer to the Attendance Policy in Student Handbook regarding missing assignments.

Please contact **Ms. McAdams** should you have any questions regarding HESI. **(806) 789-2550**
