

Clinical Reflection – Week 1

Reflect on your experiences during your **first week** of clinicals.

- Describe an interaction with a patient when you were assessing their vital signs or providing care for them.
- How did you feel?
- How did the patient respond to you?
- Did anything surprise you?
- What do you feel went well?
- What do you feel could have gone better?

Focus on Patient Centered Care

- Did your patient or family have a need that was specific to their individualized care today?

Weekly Wrap Up

- In what way did you contribute to your learning this week?
- What is your overall reaction to week 1 of clinicals?

Reflections should be a minimum of 250 words and address each bulletin point in the rubric. Feel free to add anything else that you want to share.

Email your clinical reflection to your advisor **no later than 2359 (11:59 pm on the first Monday of clinical at Covenant Medical Center. Late submissions will result in a Needs Improvement on the IM1 Clinical Evaluation.**
