2. What do you think are the student's personal strengths?

Haven has great organizational skills. She is great at getting everything done in a timely matter, including her charting. Haven is interested and involved in everything that has been asked of her.

3. What have you identified as an opportunity for improvement for the student?

I don't think I see an opportunity for improvement at this time. Just keep practicing report, handoff as it gets easier with time. Haven has been a joy to work with. :)
