1230-1330	LUNCH			
1330-1430	Classroom A - DEBRIEF			

## Health Promotion & Wellness Labs

Monday, 2/12/24

Please note the **bolded, initial start time** and location for each advisory group.

Come prepared as you would for clinical, ex: Pen, penlight, stethoscope etc.

\*\*One rotation will include changing a brief on each other in a hospital bed, as we would with patients in the clinical setting. This skill will be performed over the student uniform.
