2. What do you think are the student's personal strengths?

She is a great pt. advocate, not afraid to ask questions. She has a great attitude about everything. She is always willing to help where it is needed. She is going to make a GREAT NURSE!! I really enjoyed her

3. What have you identified as an opportunity for improvement for the student?

Time management and cluster care. During our time together I would give her a time limit and time goal for things to be done and for the most part she did GREAT
